Computer Science E-1: Understanding Computers and the Internet
Harvard Extension School
Fall 2006

Sectioning Form

Sections provide you with opportunities to work hands-on
with computers and the Internet with a teaching fellow by your side.

Sections will take place weekly, with some exceptions.
To section for this course, please provide the following information quite legibly.

Your name: _____

Your preferred e-mail address: _____

Your FAS username (if any yet): _____

Are you already registered for this course? yes no

If not, how likely are you to register? definitely likely not likely

How many sections do you expect to attend? all most some none

On a scale of 1 to 10, how savvy would you say you are with computers? 1 2 3 4 5 6 7 8 9 10
not at all very

Below is a list of available sections.

Please rank each of the sections below according to your preferences. That is, write "1" in the box next to your first choice and "2" in the box next to your second choice. Alternatively, write "X" in the box next to any section that you absolutely cannot attend because of other commitments.

We will do our best to assign you to your first-choice section.

If, on occasion, you cannot make it to the section to which you're been assigned,
you can probably attend another section, provided a seat is empty.

Rank	Day	Start Time	End Time	Location
	Wednesdays	7:35 P.M.	9:35 P.M.	Science Center B09
	Saturdays	1:00 P.M.	3:00 P.M.	Science Center B09

We will let you know via email to which section you have been assigned.
Those unfamiliar with or without access to email are also welcome
to call a member of the course's staff before next Wenesday!
