

## Concept Question

Which of the following statements is true?

1. The PVD and the PMPE are equivalent
2. The PVD is more general
3. The PMPE applies to any kind of material
4. The stationary character of the potential energy is equivalent to the PVD for elastic materials

1.  Statements (1) and (3)
2.  Statements (1) and (4)
3.  Statements (2) and (3)
4.  Statements (2) and (4)
5.  DKDU

The right answer is (4) .
